COURSEWORK

GRADUATE

Syntax
Language Processing & Development
Thinking, Judgment, Decision-making
Perception
Human Memory
Behavioral Neuroscience

UNDERGRADUATE

Psychology of Language, honors
Developmental Psychology, honors
Philosophy of Language
Philosophy of Mind, honors
Mind & Metaphor, honors
Language & Power
Semantics
Social Psychology, honors
Directed Reading in Cognitive
Anthropology

SKILLS

LANGUAGES

Human, native:
Portuguese, native • English, native
Human, basic skills:
• Spanish • French • Italian
Machine, familiar:
Python • R • JavaScript • $\LaTeX$

EXPERIENCE

RESEARCH

RESEARCH SPECIALIST & LABORATORY MANAGER | UPENN
LANGUAGE LEARNING LAB

April 2018 – August 2019 | Philadelphia, PA
Worked with **John Trueswell** and **Lila Gleitman** to coordinate and conduct research in language acquisition, with techniques ranging from mTurk to eye-tracking with children and adults. Through this time, also developed individual project on the acquisition of negation in early childhood.

**SWARTHMORE COLLEGE NEUROBEHAVIORAL
PSYCHOPHARMACOLOGY LAB** | HEAD UNDERGRADUATE
RESEARCHER

Aug 2013 – May 2017 | Swarthmore, PA
Led and trained undergraduate researchers in conducting memory research in rats, with a focus on pathological fear memories.

AWARDS

2021	Paula Menyuk Award, BUCLD
2019-2020	Mellon Graduate Fellow
2019	Fontaine Fellow
2017	High honors in Cognitive Science
